Summer Term in 3-4LHH

In English we are working on ASDAN Life-Skills Challenges learning transactional skills in reading, writing and spoken language. We We are also working creatively on the texts 'Goodnight stories for rebel girls,' 'Stories for boys who want to be different,' 'The Owl and the Pussycat,' and Rap rhymes.

In Maths we are covering ASDAN Life- Skills Challenges. These include, number and calculation, shapes, space and measures, money and time. We practise these skills in the community.

In Expressive Arts we are exploring the life and art of Andy Goldsworthy creating our own version of his ephemeral art. We will continue to study Shakespeare's 'The Tempest.' We will visit an arts venue.

In Science and Gardening we are developing an awareness of gardening  safety and plant lifecycles. We will also develop our science investigative skills.

In Cooking and Nutrition we are learning that all food comes from plants or animals and how it is processed from the farm to its final product ready to eat.

In DT we will be reinvesting the profits from our previous enterprise project to set up and run a cold drinks and ice lolly service for staff during the hot weather.

In Computing we are looking at digital literacy and using computers to communicate to others.

In P.E we are working on fitness and teamwork playing striking and fielding activities and athletics.

In PSHE/Careers we are learning about Sex and Relationships Education, Emotional health and wellbeing. and Healthy Lifestyles. We are completing the 'Reach for the Stars,' module through 'The Job Junction,' programme. Year 11 will complete work experience.

In Music we will be focusing on

- Listening to and appraising music
- Singing and signing
- Composing
- Performing as a group.

In RE we are learning about Eid. We will be discussing the key points of the religion learning about the celebrations and traditions of this festival.

In ASDAN Transition Challenge we are completing tasks and projects connected to topics in sport, geography, history, citizenship and work. We will continue to learn in the community, access college courses and practise life-skills.

Summer Term in 3-4LHH

In Behaviour for Learning we are focusing on strategies to promote enjoyment of learning and foster good peer friendships and relationships.	**In Creative Curriculum we are doing history, geography and art based on The Stone Age into the Iron Age.**

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week and practice your spellings.*
2. *Access Numbots or Times Table Rockstars – please message your teacher if you need the login.*
3. *Keep practicing life-skills e.g.: make your bed, wash dishes, hoover, cook a meal.*

Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
