Summer Term in 3CB

In English we are covering non-chronological reports, poetry and fantasy novels.

In Maths we are covering lots of topics including time, statistics and fractions.

In Creative Curriculum we are doing history, art and geography based on The Vikings.

In R.E we will be learning about religious festivals and stories told by Jesus.

In Cooking and Nutrition we are learning that all food comes from plants or animals and how it is processed from the farm to its final product ready to eat.

In DT we are investigating electronics and making a simple electronic device.

In Computing we are looking at programming. We will be using Scratch.

In P.E we are doing a range of striking and fielding games such as cricket and rounders, as well as a range of athletics activities.

In PSHE we are covering sex and relationships and how to lead a healthy lifestyle including diet and exercise.

In Music we will be listening to and appraising music, singing and signing and composing and performing as a group.

In Science we are learning about cells We will learn about cells, genes, new life, the skeleton, muscles and movement. We will also look at the changing atmosphere and adaptations.

In Gardening we will be transplanting seedlings we have nurtured in the greenhouse. We will tend to the herb, vegetable and flowering plants we have grown from seed.

Summer Term in 3CB

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Access Numbots or Times Table Rockstars – please message your teacher if you need the login.*
3. *Speak with your child about changes to their body as they get older – please dojo if you require any support or resources.*

Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
