Summer Term in 3CO

In English we will be developing our reading, writing, spoken language skills through our Cross Curricular topic of The Stone Age. We will be reading stories from other cultures and creating dramas and written text based on their knowledge of The Stone Age. 	In Maths we will focus on sequencing and in the context of measures. We will be learning to use statistics and measure in order to solve a broad range of mathematical problems.
In Creative Curriculum we are focusing on the topic of The Stone age. We will identify, describe, understand and compare key aspects of geography including Skara Brae and Stone henge, using different textures and materials to expand on their knowledge. 	In R.E we will explore how do people show faith through the arts and why people go on journeys to sacred places.
In Cooking and Nutrition, we are learning that all food comes from plants or animals and how it is processed from the farm to its final product ready to eat. 	In DT we will be designing and making storage for our possessions. We will use a range of materials and our previously acquired DT skills.
In Computing we are looking at programming. We will be using Scratch to make games and learn how to debug. 	In P.E we are covering striking and fielding games such as cricket and rounders. We will also participate in athletics.
In PSHE we will be learning about relationships and emotional well-being. 	In Music we are listening to and appraising classic rock songs and learning how to play as a class band.
In Gardening we will be transplanting seedlings we have nurtured in the greenhouse. We will tend to the herb, vegetable and flowering plants we have grown from seed. 	

Summer Term in 3CO

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Access Times Table Rockstars – please message your teacher if you need the login.*
3. *Speak with your child about measurement taken when cooking, telling the time, using cash/ coins or a debit card to buy items, checking the costing of items, saving up money and ways to earn money.*

Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
