Summer Term in 3CW

In English we are reading 'Escape from Pompeii' and writing our own stories based around the Creative Curriculum topic. We are also studying information booklets and poetry with different structures and shapes.

In Maths we are covering lots of topics including number and place value, capacity & volume, money and properties of 2D and 3D shapes.

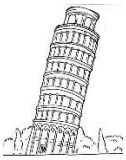
In Creative Curriculum we are studying The Romans. We will be looking at the geography of Europe, focusing on Italy and France. The class will be looking at Roman architecture and making paper mosaics.

In Science we are learning about cells We will learn about cells, genes, new life, the skeleton, muscles and movement. We will also look at the changing atmosphere and adaptations.

In Gardening we will be transplanting seedlings we have nurtured in the greenhouse. We will tend to the herb, vegetable and flowering plants we have grown from seed.

In Cooking and Nutrition we are learning that all food comes from plants or animals and how it is processed from the farm to its final product ready to eat.

In DT we are investigating structures and why things don't fall down. We will be making our own strong, stable structures and testing them.



In Computing we are looking at programming. We will be using Scratch.

In P.E we are learning to play striking and fielding games such as cricket, rounders and baseball. We will also participate in athletics activities.

Summer Term in 3CW

In PSHE we are studying relationships and puberty as well as personal finance.	In Music we are listening to and appraising music, playing tuned and untuned percussion instruments, improvising and composing our own pieces.
In R.E we are learning about weddings and the importance of marriage in religion.	In Behaviour for Learning we are focusing on how to enjoy learning as well as making and maintaining friendships.

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week and support with homework tasks.*
2. *Access Numbots or Times Table Rockstars.*
3. *Discuss jobs that your child may wish to aim for in the future.*

Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
