# Summer Term in 4MS

In **English** we are following the Step Up English – Dystopia. This involved writing for different purposes to extend vocabulary and understanding.

In **Maths** we are covering lots of topics withing the Entry Level Maths as well as extending maths knowledge in all areas of maths.

In **Science** we are learning about elements, mixtures and compounds.

In **Gardening** we will be working in the school garden to make it look colourful and welcoming.

In **Cooking and Nutrition** we are completing an ASDAN life skills challenge and learning how to store food correctly.

In **Enterprise** we are using our business plan as a guide to set up and run our enterprise.

In **Computing** we are looking at the different Microsoft products as well as completing the unit on Animation.

In **P.E** we are covering striking and fielding games such as cricket, rounders and baseball. We will also participate in athletics.

**PSHE** we are looking at personal finance, managing money and the cost related to living independently.

In **Music** we are taking part in the Lancashire Rocks Programme and practising for our performance at Ribby Hall on 16th May.

**College Courses**

We are attending an 8-week construction taster course at Blackpool and Fylde College.

Myerscough College
Warrington Campus
Walton Gardens

In **Careers** we are learning about being ambitious and working towards the career we would like. Writing CV's.

**3** things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Access Numbots or Times Table Rockstars – please message your teacher if you need the login.*
3. *Speak with your child about ways to stay safe at home and in the community.*

EVIDENCE FOR LEARNING
Family

***Don't forget to log on to Evidence for Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.***
