Summer Term in Primary Blue

In English we are reading and writing traditional tales with a twist and stories from other cultures. We will also be exploring instructions and information texts as well as poems with a structure.	In Maths we are covering lots of topics including number and place value, measurement and addition and subtraction.
In Creative Curriculum our topics are 'Amazing Animals' and 'Travel and Transport.' We will be developing our geography and history skills around these topics. In Art we will look at developing our drawing/painting/sculpting techniques.	In Science we are learning about living things and their habitats. We will also investigate forces and magnets.
In DT we will be investigating structures and makes them strong and stable. We will be using what we find out to make and test our own structures.	In Cooking and Nutrition we will be learning about the flavours we taste when eating food.
In Computing we are learning how to use Scratch Jr on the iPads.	In Music we will be singing and playing instruments to songs on Charanga.
In PSHE we are focusing on healthy lifestyles and relationships education. We will also be developing our life skills.	In P.E we will be developing our striking and fielding skills as well as athletics.

Summer Term in Primary Blue

In R.E. we are learning about what makes Guru Nanak a special teacher and what the Buddha can teach us.	In Behaviour for Learning we are focusing on skills to help us enjoy learning and develop friendships.

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Access Numbots or Times Table Rockstars – please message your teacher if you need the login.*
3. *Speak with your child about ways to stay safe at home and in the community*

Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
