Autumn Term in Primary Red

In English and Communication we are learning Nursery Rhymes, reading rhyming stories and developing our speaking and listening skills.

In Maths we are looking at numbers to 10, non-standard units of measure, 2D and 3D shapes.

In Personal, Social and Emotional Development we are learning about emotions, learning to share, follow the rules, turn take and be a good friend.

In Understanding of the World we are exploring different natural materials, learning about other countries and cultures. We are also learning about our local area and the history of Britain.

In Expressive Art and Design we are mixing colours, exploring materials freely, using pretend play and listening to sounds with increased attention, discussing our thoughts and feelings.

In Physical Development we are developing our fundamental movements, using scissors and getting ourselves dressed.

In R.E we will be learning All About Me! We will be learning about what makes us unique and discussing our similarities and differences.

Behaviour for Learning will include lessons on listening and attention and children will be encouraged to participate and become increasingly independent.

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Access Numbots or Times Table Rockstars – please message your teacher if you need the login.*
3. *Speak with your child about ways to stay safe at home and in the community*

Autumn Term in Primary Red

Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
