Autumn Term in Primary Yellow

In English we will be learning about stories with repeating patterns, a range of non-fiction texts and poems on a them

In Maths we will be learning about lots of different topics including number, addition, subtraction and sequencing.

In Creative Curriculum we will be learning about 'All About Me', 'Light it up' and 'Zoom to the Moon'.

In Science we will be learning about sound, earth and space and seasonal changes.

In R.E we will be learning about Harvest and Diwali.

In DT we will be using construction materials to make different models.

In Computing we will be practising our basic computer skills and talking about how to stay safe when we are online.

In P.E we will be learning some fundamental skills. We will learn to hop, jump, throw and catch.

In PSHE we are looking at how to be a good friend and ways to contribute to the life of the classroom and school.

In Music we will be learning about rhythmn and beat.

In Behaviour for Learning we are focusing on class rules and how to help ourselves stay on task.

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Encourage your child to be as independent as possible, eg dressing, getting ready for the school day, cleaning teeth etc*
3. *Speak with your child about ways to stay safe at home and in the community*

Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
