Summer Term in Primary Yellow

In **English** we are reading stories with a familiar setting and stories from other cultures. We will also be learning about persuasion and poetry and rhymes about summer.	In **Maths** we are covering lots of topics including number and place value, shape, time, addition and subtraction.
In **Creative Curriculum** our topics are going to be 'Amazing Animals' and 'Travel and Transport'. We are going to visit a farm and feed the animals! We will also be looking at the different continents around the world and different methods of travelling.	In **Science** we are learning all about animals and habitats. We will be learning about which animals live where and why! We will also be exploring forces and magnets!
In **Art and DT** we will be developing our artistic skills such as painting and drawing and in DT we are going to use paper mâché and do some junk modelling!	On our **R.E** days we will be learning about how we can recognise a religious leader and how and why some people pray.
In **Computing** we are going to be learning about algorithms and developing our laptop skills.	In **P.E** we are developing our coordination and learning how to move our bodies more accurately by using a range of equipment.
In **PSHE** we are focusing on healthy lifestyles and friendships! We will also be talking about transition into our new class and experiencing this too (where necessary).	In **Music** we will be singing and playing instruments to songs on Charanga.

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Access Numbots or Times Table Rockstars – please message your teacher if you need the login.*
3. *Speak with your child about ways to stay safe at home and in the community.*

Summer Term in Primary Yellow

Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
