Spring Term in 3CB

In English we are reading 'Stone Age Boy', writing our own scripts and writing/speaking persuasively.	In Maths we are covering lots of topics including fractions, multiplication, division and time.
In Creative Curriculum we are doing history, geography and art based on The Stone Age.	In R.E days we will be learning about the importance of St. Francis in relation to animals and what makes Easter special for Christians.
In Cooking and Nutrition we are learning about healthy eating. We will be cooking a variety of dishes and discussing how to make our meals healthier.	In DT we are planning and making a product that can be mass produced in metal.
In Computing we are working on our typing skills and using the web to find out information.	In P.E we are doing dance and net games such as badminton and tennis.
In PSHE we are learning about the importance of money and ways to manage different emotions.	In Music we will be exploring pulse, rhythm and pitch and composing and performing our own pieces.
In science we are learning about electricity and magnets. We will move onto learning about the human body. In gardening we will learn about the lifecycle of plants and grow a range of plants. We will nurture the plants and wildlife in our school garden.	In Behaviour for Learning we are focusing on being resilient and showing greater independence.

Spring Term in 3CB

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Access Numbots or Times Table Rockstars – please message your teacher if you need the login.*
3. *Speak with your child about the importance of money, how it is used, how to look after it and begin to discuss the cost of common items.*

Don't forget to log on to Evidence for Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
