Autumn Term in 3CH

In English we are looking at historical stories, explanations, poetry to perform and developing our SPAG.

In Maths we are developing our understanding of number, place value, addition, subtraction, measurement and geometry.

In Creative Curriculum we are going to being learning all about the Tudors! We will link our learning to history, geography and art.

In Science we are developing our investigative skills. We will learn about forces and our solar system

In Cooking and Nutrition we are learning how to plan healthy balanced meals. We will be cooking a variety of sweet and savoury dishes.

In DT we are using felt fabric to design and make a soft toy. We will be learning different ways to join fabrics.

In Computing we are looking at internet safety. Our main themes are online relationships, privacy (including passwords) and what is a digital footprint.

In P.E we are doing team building activities, gymnastics and ball games.

In PSHE we are learning about the topics 'Drugs and Alcohol' and 'Community and Careers'.

In Music we are In Music we are going to compose a musical story using a wide a wide range of instruments and practice our singing for the Young Voices Concert at the Co-Op Arena in Manchester.

In R.E we will be learning about creation stories in religion and how Christmas is expressed through the arts.

In Gardening we are preparing the garden for winter. We will look at the health benefits of working in the garden.

Autumn Term in 3CH

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Access Numbots or Times Table Rockstars – please message your teacher if you need the login.*
3. *Speak with your child about ways to stay safe at home and in the community*

Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
