Autumn Term in Primary Yellow

In English we will be listening to stories, making predictions, talking about the characters and settings and story sequencing.	In Maths we will be learning about lots of different topics including number, addition and subtraction.
In The World Around Us we will be learning about ourselves, homes and celebrations.	In My Independence we will be learning to follow our new classroom routine, navigate safely around our school and our local community.
In My Outdoor Schooling we will be learning about Orienteering, creativity, seasonal changes and environmental awareness.	In My Physical Wellbeing we will be learning about healthy eating and healthy lifestyles.
In My Play and Leisure we will be learning about the importance of play and how to experience this successfully.	In Physical Education we will be learning some fundamental skills. We will learn to hop, jump, throw and catch. We will also be taking part in weekly Swimming sessions.
In My Communication we will be experiencing personalised ways to improve our communication skills.	In Attention Autism we will be engaging in a range of activities that help enhance our attention, communication and interaction skills.

In Behaviour for Learning we are focusing on classroom rules and task engagement.

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Encourage your child to be as independent as possible, eg dressing, getting ready for the school day, cleaning teeth etc*
3. *Speak with your child about ways to stay safe at home and in the community*

Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
