Spring Term in 3CH

In English we are looking at myths and legends, instructional writing and poems. We will be reading Theseus and the Minotaur.

In Maths we are developing our understanding of money, number, place value, measurement and geometry, multiplication and division.

In Creative Curriculum we are going to being learning all about Ancient Greece! We will link our learning to history, geography and art.

In Science we are building practical skills by exploring the work and responsibilities of forensic scientists.

In Cooking and Nutrition we are learning about food safety and how to store food correctly. We will be cooking a variety of sweet and savoury dishes.

In DT we are learning how to use electrical systems in products. We will make and evaluate a steady hand game.

In Computing we are looking at programming using Scratch Jnr and Scratch. We will be making quizzes and looking for bugs in the programming.

In P.E we are learning to travel on different apparatus and developing our hopping and overarm throwing skills. We are also learning a dance linked to our creative curriculum topic of Ancient Greece.

In PSHE we are learning about the topics Discrimination and Emotional Wellbeing. We will discuss discrimination in different contexts and also discuss mental health, emotions and coping strategies.

In Music we are listening to and appraising music. We are focusing on musical elements in our compositions and practicing our singing for our performance in the Young Voices Concert at the Co-Op Live Arena in Manchester.

In R.E we will be learning about what Buddha can teach us and how Ganesh is worshipped by Hindus.

In Gardening we will explore the importance of bees, understand the carbon cycle, learn about nutrients essential for healthy plant growth and cultivate flowers and vegetable seeds in the greenhouse.

Spring Term in 3CH

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Access Numbots or Times Table Rockstars – please message your teacher if you need the login.*

Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
