Spring Term in 3RP

In English we are exploring historical stories linked to our Tudor topic. Afterwards, we will move on to writing our own explanation texts as part of our non-fiction work.

In Maths we are covering lots of topics including number and place value, money, time and shape.

In Creative Curriculum we are learning about The Tudors. In geography, we will also be completing map work and building our knowledge of different countries.

In Science we are learning about electricity and states of matter. In Gardening we are learning about germination, minibeasts and growing plants from seeds using our greenhouse.

In Cooking and Nutrition we are learning about food safety and how to store food correctly. We will be cooking a variety of sweet and savoury dishes.

In DT we are making a pin-ball machine. We will evaluate our own ideas and products against design criteria.

In Computing we are programming robots, looking at directions and the language used to make things move.

In P.E we are playing tri-throlf to develop our underarm and overarm throwing skills. We are also learning a dance linked to our creative curriculum topic of The Tudors.

In PSHE we will be learning about diversity, prejudice and bullying.

In Music we will be focusing on music tech, exploring a variety of apps and digital tools to compose and create our own music.

In R.E we will be learning about Sir Francis and what he taught us about how to look after animals.

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Access Numbots or Times Table Rockstars – please message your teacher if you need the login.*

Don't forget to log on to Evidence for Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
