Spring Term in 4KE

In English we are working towards our Entry Level Step up to English where we are working with the themes of Heroism, Hobbies and Film.

In Maths we are working towards our AQA Entry Level where we will explore the topics of fractions, geometry, shape, time, number and algebra.

In Science we are learning about energy, forces and the structure of matter.

In PSHE we shall be learning about healthy /unhealthy relationships, sex education and sexual health, as well as completing individual life skills challenges.

College Courses

We shall be attending courses in Public Services and Construction at Blackpool and the Fylde College.

In Careers we are preparing for our college interviews after making our college applications last term. We are looking into work experience placements and contacting employers as we prepare for our work experience placements in June.

In R.E we will be exploring how we should behave towards others and looking at the life and work of Mother Theresa.

In P.E we are playing invasion games including rugby and football to develop decision making and evaluation skills. We will also play net and wall games working on forehand and backhand striking.

OUR CHOICES CURRICULUM

In Cooking and Nutrition comparing ready meals to home cooking. We will be comparing taste, appearance, value for money and nutrition.

In Digital Media we are learning about weather reports using a green screen and developing vector graphics.

In Computing we are learning physical computing using the micro:bit and data modelling (spreadsheets).

In Art & Design we are looking at masks and theatre, and reflections and mirror images.

Spring Term in 4KE

In Gardening we are learning about growing plants undercover and growing food on our allotment.

In Music we are practicing for our performance in, "A Celebration of Music" at Blackpool Opera House.

In P.E. we will be learning the rules in different team and individual sports with a view to practising officiating.

In Enterprise we will be completing our ASDAN short course. We will plan and conduct a new project to make money.

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Access Numbots or Times Table Rockstars – please message your teacher if you need the login.*
3. *Speak with your child about ways to stay safe at home and in the community.*

Don't forget to log on to Evidence for Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
