Spring Term in Primary Red

My Art

We will be learning how to create and continue patterns using different objects and materials. We will also explore the work of artists who use imagination to create faces and develop our own facial collages.

My Communication

We will be learning to extend our communication skills by moving from simple commands to shared conversations. We will practice engaging in declarative conversations and develop interaction through intensive activities.

My Communication: Narrative

We will be learning to follow the sequence of a short fictional story and then retell it as best we can. This will help us understand and share narratives in our own words.

My Music

We will be learning to explore sounds, collaborate with others, create music, perform, and listen carefully. These activities will help us enjoy and understand music in different ways.

My Independence

We will be learning to walk independently for set distances while staying close to an adult. We will practice walking safely without pulling away or running off.

My Play and Leisure

We will be learning through play by joining games and activities with others. We will explore our senses, develop social skills, make friendships, and learn new skills in a safe and fun environment.

The World About Me

We will be learning about the seasons and observing events that happen during this time of year. We will also explore festivals such as Valentine's Day, Chinese New Year, and Pancake Day.

Attention Autism

We will be learning to develop our attention and listening skills in daily 'Bucket Time' sessions. These sessions are fun and engaging and will help us focus, take turns, and enjoy shared experiences that build communication and concentration.

Spring Term in Primary Red

3 things you can do with your child to support them at home:

1. *Read to your child at least 3 times a week.*
2. *Access Numbots or Times Table Rockstars – please message your teacher if you need the login.*
3. *Speak with your child about ways to stay safe at home and in the community.*

Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
