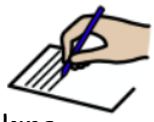
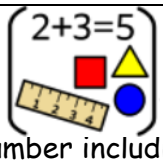
# Spring Term in Primary Yellow

## English



We will be listening to stories, making predictions, talking about the characters and settings and sequencing the story.

## Maths



We will be focusing on number including addition and subtraction.

## In The World About Us

We will looking at all things winter as well as seasonal changes, rain, uses of water and the water cycle.

## My Independence

We will experience handling money, shopping in our local supermarket, and developing simple cooking skills.

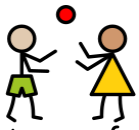
## My Outdoor Schooling

We will be learning about the different seasons.
We will be exploring our outdoor area and engaging in playing games.

## My Physical Wellbeing

We will be focusing on developing our resilience and self-esteem.

## My Play and Leisure



We will be learning about the importance of play and how to experience this successfully.

## Physical Education

We will be focusing on developing our fundamental skills.
We will be taking part in weekly Swimming sessions.

## My Communication

We will be experiencing personalised ways to develop our communication skills.

## Attention Autism

We will be engaging in a range of activities that help enhance our attention, communication and interaction skills.

# Spring Term in Primary Yellow

**In Behaviour for Learning we are focusing on classroom rules and task engagement.**

**3 things you can do with your child to support them at home:**

1. *Read to your child least 3 times a week.*
2. *Encourage your child to be as independent as possible, eg dressing, getting ready for the school day, cleaning teeth etc*
3. *Speak with your child about ways to stay safe at home and in the community*

***Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.***
