Summer Term in 3-4LHH

In English, we will explore persuasion through adverts and persuasive writing and speeches, study rhyming poetry, and enjoy writing and reading humorous fiction.	In Maths we are covering a range of topics including time, money, shape, measurement, number and place value.
In Science we will explore a range of chemical products used in the home and how to use these safely. We will also explore themes connected with the use of electrical circuits.	In PSHE we are covering the topics 'intimate relationships' and 'employability and online presence'.
In Careers, we are excited to begin our Enterprise project. We will be designing and creating a range of products to sell in the final week of term and have applied to Mrs Gibbons for a business loan to get us started.	In ASDAN Transition Challenge, we are focusing on preparing for life after leaving Great Arley. We will be completing our challenges before they are sent off for moderation.
In R.E, we will be exploring the topic of weddings. We will learn about what happens during a traditional wedding ceremony, including the key stages and their meanings. We will also look at how weddings are celebrated in different cultures and religions, comparing similarities and differences in customs, traditions and beliefs.	In P.E we will be playing striking and fielding games such as cricket and rounders and taking part in a range of athletics activities such as discus and long jump.
OUR CHOICES CURRICULUM	
In Cooking and Nutrition, we will be completing our foodwise short course. We will be demonstrating a broad range of cooking skills and working on the final presentation of a dish.	In Digital Media we are learning about 3D animation using Blender software. We will also be learning about photography.

Summer Term in 3-4LHH

In Computing we are learning about mobile app development and cyber security.	In Art & Design we are looking at reflections and mirror images and Picasso.
In the Gardening option we are working on our school allotment. We will be growing a range of vegetables in the raised beds.	In Music we are practicing for our performance at Ribby Hall Music Festival and the end of year celebrations.
In P.E. we are looking at the impact that sport and physical activity can have on our bodies and our health. This will include creating fitness targets to focus on.	In Enterprise we will be completing our ASDAN short course. We will plan and conduct a new project to make money.

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Access Numbots or Times Table Rockstars – please message your teacher if you need the login.*
3. *Access the E-Platform Digital Library – please message your teacher if you need the login.*

Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
