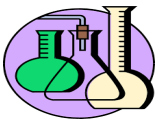
Summer Term in 3MS

In English or topic is: THE TUDORS: 'Off with their Heads!' Historical Stories, explanations and poetry all related to the topic.

In Maths we are covering lots of topics including multiplication and division; addition and subtraction; 2D shapes and angles; money; 3D shape; place value; fractions; measures; statistics.

In Creative Curriculum we are continuing to look at the history and geography related to Tudor times. We will look at the way Tudors lived and also about how significant Henry VIII was.

In Science we will be focusing on three key areas of science: light, sound, and rocks. We will take part in a range of practical activities designed to develop an understanding of how these concepts relate to the world around us.



In Cooking and Nutrition we are going to explore foods from different cultures and prepare dishes using global ingredients.

In DT we will be designing and making a coat hook. We will explore different materials and consider the most appropriate for load bearing. We will review durability and stability.

In Computing we are developing our understanding of what a branching database is and how to create one.

In P.E we have a rugby coach coming in to teach us tag rugby as well as doing summer sports like cricket, rounders and athletics.

In PSHE we are learning about intimate relationships as well as how to look after ourselves. Some other areas include consent, contraception, STI's and attitudes to pornography.

In Music we are learning how to play as part of a rock band. We are learning to play the guitars, bass guitars, drums, keyboards, ukuleles and using vocals in our performances.

In R.E we are learning about how people show their faith through the arts. We will then focus on people taking sacred journeys.

In Gardening we are developing our school garden. We will grow flowering plants and vegetables from seed, using natural pesticides we have prepared to ensure we respect all the wildlife visiting the area.

Summer Term in 3MS

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Access Numbots or Times Table Rockstars – please message your teacher if you need the login.*
3. *Speak with your child about ways to stay safe at home and in the community*

Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
