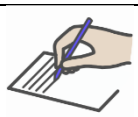
Summer Term in Primary Yellow

The Equals Formal and Semi-Formal Curriculum

In English:



We will be focusing on developing our communication skills, listening to our friends, sharing ideas and making choices.

In Maths:

We will be focusing on addition and subtraction, number bonds and Maths in our community.

In The World About Us:

We will be learning about all things summer. How to keep safe in the sun, what to wear and taking part in summer activities.

In My Independence:

We will be developing our pre cooking skills by following visual instructions, learning about food safety and how to use basic cooking equipment.

In My Outdoor Schooling:

We will be getting prepared for our outdoor learning by exploring how to keep safe in our outdoor environment, knowing what to pack and using all of our senses to experience the world around us.

In My Physical Wellbeing:

We will be exploring healthy eating and healthy lifestyles.

In My Play and Leisure:

We will be supporting play development by working at the stage that is most relevant to us.

In Physical Education:

We will be participating in a range of classroom, hall and outdoor games to develop our fundamental movement skills.

In My Communication:

We will be experiencing personalised ways to develop our communication skills.

In Attention Autism:

We will be engaging in a range of activities that help enhance our attention, communication and interaction skills.

In Behaviour for Learning we are focusing on classroom rules and task engagement.

3 things you can do with your child to support them at home:

1. *Read at least 3 times a week.*
2. *Encourage your child to be as independent as possible, eg dressing, getting ready for the school day, cleaning teeth etc*
3. *Speak with your child about ways to stay safe at home and in the community*

Don't forget to log on to Evidence For Learning (EFL) to see what your child has been learning in school this week. Contact the school office for log in details or to reset passwords.
